## LOOKING AHEAD

### ***April - Show and Shine***

In 2 months we'll probably have our first Show and Shine of the year. They normally happen outdoors at Atascadero's A-Town Diner, every month from April through October on the Saturday before the regular club meeting.

### ***August 18 - Annual Car Show***

it appears our annual car show will take place on Saturday August 18, at Atascadero Lake Park. Talk to others about what they have done in the past for the car show, and offer your services where there's a need. So in August, we'll have our Show and Shine on Saturday the 11th, club meeting on Thursday the 16th, Hot El Camino Cruise Night on Friday the 17th, Car Show on the 18th, and recuperation right after that.

### ***September - 2nd Annual Cruiser Campout***

September is when President Larry Wilson has proposed the 2nd Annual Cruiser Campout at San Lorenzo Park in King City. Last September, a very fine bunch of members made the 1st Annual campout a whopping success.

## **OTHER JANUARY MEETING HIGHLIGHTS**

### **2018 Officers**

At the January club meeting on the 18th, current officers were reinstated for the 2018 year, with the exception of Roy Barba taking over the VP duties for Dave Evers who has retired. That makes the board consist of President Larry Wilson, Vice President Roy Barba, Secretary Linda Solipasso, and Treasurer Mari Cole. Dorothy LoSchiavo is still the Sunshine Lady, and Roberta Barba is the Membership Chair.

### **Sponsor Appreciation**

Trophies of Appreciation were passed out to several local business owners who regularly sponsor trophies for our car show winners, to let them know how much we appreciate their support.

### **Skills USA**

Dave Evers brought up the subject of the Skills USA contest taking place this year again at Paso Robles High. He talked about the challenges the students dealt with, and he asked for people to consider being a judge like he was last year. Within a day, there were 3 people offering to go along this year, and they were Phil Menasce, David Peake and Lee Moura. It was fun last year, and should be even better this year with more involvement by adults.

### **New Ride**

Other Important News: Check out Roy and Roberta Barba's new ride, a splendid '68 Chevelle SS 396 that once belonged to our own Les Heilman!

### **Club Bylaws**

There is an effort being made by several members to update and clarify certain sections of the club's bylaws to more carefully define the do's and the don'ts of a 501c4 tax exempt organization which we are. If you haven't received the bylaws yet, let one of the officers know.
